In this new sermon series, we will address questions like, “Aren’t all religions the same?”, “Why does God allow pain and suffering?” and more. In today’s message, Pastor Tyler addresses the question, “**Can you trust the Bible?**”

1. How do *you* look for absolute truth? Do you tend to make decisions yourself, go with the current trends, or look for answers in the Bible? Explain.
2. **Judges 21:25** says, “Everyone did what they thought was right in their own eyes.” How does this compare to our current society? How would our country/culture be different if we all lived by biblical truth?
3. **Read Hebrews 4:12.** What do we learn about the Bible from this verse? Share a time when God’s word came to life, pierced your heart, and changed something in your life.

5 Reasons We Can Trust the Bible

1. What Jesus said
2. Historical Credibility
3. Unity & Preservation
4. Fulfilled Prophecy
5. Transforming Power

The more you study it...the more you believe!

GROUP DISCUSSION:

1. What part(s) of the Bible do you have the most difficulty believing or sharing with others? (By the way, it's OK to have questions!)
2. What steps can you take this week to understand the passage(s)?
3. The Bible convicts us when we’ve done something wrong, encourages us when we need to be lifted up, and keeps us anchored in truth when culture is swaying in the wind. How would you describe your current connection with the Bible?
4. Why is it so important to know and understand the Bible?
5. How can you take your understanding to a deeper level this week?
