

BUILD YOUR CHURCH

Over the past two weeks you have heard us share that the heart of CPC is to be FOR The Valley. Our desire is to be an outward focused church. Today's message reminds us that our vision is to **REACH** people for Christ!

DISCUSSION QUESTION:

Who extended the first invitation to you regarding following Jesus/attending church?

READ Luke 19:10 and Mark 2:17: What was Jesus' mission when He stepped foot on earth?

READ Matthew 28:18-20: What is our mission as followers of Jesus?

1. **The R in REACH stands for Renew.** Renew a gospel movement among the unchurched. **READ 1 Corinthians 15:1-2.** Our job is to take people one step closer to Jesus. And that starts with a simple "invitation". Can you think of someone whose life was changed by the gospel because they were invited to church?
2. **The E in REACH stands for Engage.** Our desire is to engage people of all generations. What are some of the ministries at CPC that engage people of all generations? How?
3. **The A in REACH stands for Attract.**
Why do you think it's important to attract the next generation of young families and students to CPC?
4. **The C in REACH stands for Care.** What are some of the ways that you, or someone you know, has been cared for through CPC?

5. **The H in REACH stands for Help.** Why is it important that we serve others with our time, talents and treasure?

DISCUSSION QUESTIONS:

1. Why do you think an outward focused vision is so vital to having a vibrant, growing church?
2. What are the 5 parts of CPC's REACH vision? What (to you) is the most exciting part of this vision, and why?
3. Share a time when you started walking in a direction God was leading you, and then God gave you "power along the way."

CHALLENGE:

1. SIGN UP for Serve Day.
 2. INVITE ONE person to Serve Day with you.
