October 9-10, 2021 // Tyler Scott, Lead Pastor

“For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.” Mark 10:45

This weekend nearly 2,000 of you gave of your time and talents to make blankets, knit hats, and even organize crayons and eyeglasses. You helped build bikes and put together Hero, Birthday and STEM Boxes for Foster kids. You served San Francisco City Impact put together care bags for homeless and shut-ins. Some of you joined a new generation of Meals on Wheels volunteers to assemble cutlery along with a special Christmas ornament and thoughtful card! And many of you put together thoughtful care packages to firefighters to say thank you to our First Responders. You served. Serve Day weekend comes once a year, although every day we have opportunities to serve. Let this weekend inspire you to carry the heart of Serve Day into every day.

As you reflect back on this weekend, gather with your family, friends or small group and take some time to talk about these questions.

1. Do you have a Serve Day story you can share?
2. What is your most valuable take-away from this Serve Day experience?
3. What are some ways you can continue to serve throughout the year?

There are still more serving opportunities. Email serve@cpcdanville.org
