Undistracted, Bob Goff

You probably know what it's like to be driving down the road when you suddenly feel the vibration and hear the guh-guh-guh-guh-guh of the rumble strips--those grooves in the pavement--warning you that you've drifted out of your lane.

You didn't mean to get distracted. You only took your eyes off the road for a moment, but you drifted off course. And that's a lot like life, isn't it?

In Undistracted, Bob Goff lovingly yanks us back in our lane and helps us get back on track so we can live our lives with real purpose and joy. [CLICK HERE](#)

The Freedom of Self-Forgetfulness, Timothy Keller

'What are the marks of a supernaturally changed heart?' This is one of the questions the Apostle Paul addresses as he writes to the church in Corinth. He's not after some superficial outward tinkering, but instead a deep-rooted, life-altering change that takes place on the inside. In an age where pleasing people, puffing up your ego and building your resume are

seen as the methods to 'make it', the Apostle Paul calls us to find true rest in blessed self-forgetfulness. This book is on sale. [CLICK HERE](#)
