

ICE BREAKERS IDEAS

WHOSE REFRIGERATOR IS IT?

How it Works

1. Group members snap a photo of the inside of their fridge and send it to you.
2. During the meeting, use screen sharing to show one photo at a time.
3. Everyone chats about their guess. ("Look at all that Diet Coke! This has to be Jan's!")
4. Once you've reached a sort-of consensus, the owner of that fridge is revealed and you move on to the next photo.

A bit of light-hearted fun was such an encouragement to your group. We hope it can be to yours, too. We're rooting for you!

WOULD YOU RATHER (SHORT VERSION)

1. Would you rather work from home or head into the office to be with colleagues?
2. Would you rather check the news daily for updates on the virus or surf YouTube for anything to take your mind off current events?
3. Would you rather engage in a political debate over Facebook or keep your opinions to yourself?
4. Would you rather maximize your at-home time by knocking out extra projects or enjoy the flexibility to just chill out and relax while you can?

NAME THAT TUNE

Just like it sounds, choose different songs from different era. Play the song and whoever raises their hand first gets to guess.
