

CPC is excited to offer discipleship Small Groups called ROOTED. Rooted is a 10-week small group experience designed to connect you to God, the church, and your purpose. Together, in a group of 10-15 people from all walks of life, you'll explore the Bible, engage in prayer and serve experiences, share stories, and practice rhythms essential to a healthy spiritual life. We will provide you with a facilitator who is trained to come alongside your group to help you get the most out of the experience. **Can't find the right fit? Email connect@cpcdanville.org for small group options (*not listed*) that may have one or two openings.**
