

## **STUDENT SUNDAY**

May 22, 2022 // Caleb Bonifay, Director of High School Ministry

### **INTRODUCTION**

We live in a culture where we believe we need to know more about God (theology, church history, etc) in order to bring people to Jesus. But as we read through the Bible, we see that the apostles would simply share their story, and the Holy Spirit would do the work through the story. This past weekend we heard life-changing stories from some of our High School graduating seniors.

### **DISCUSSION QUESTIONS**

1. Was there a testimony from this past weekend that had an impact on you? Share with the group.
2. **Read 1 Corinthians 2:4 and Revelation 12:11.** What do these passages teach us?

### **Ways to share your testimony:**

Humility in the work of God's Spirit in your testimony.

Boldness to share your testimony.

Reliance for God to use your testimony.

3. The message is about the power of our testimony. If you are comfortable, share your testimony and allow participants of the group to share their testimony as well. Try to keep each time of sharing to 5 minutes or less so others can share too.

**PRAYER:** Pray that God opens up more opportunities for you to share your testimony with others and that the Holy Spirit will change the hearts and lives of those who hear it.
