“A Song of Security”

June 26, 2022 // Tyler Scott, Lead Pastor

### DISCUSSION QUESTIONS

1. When you think back over the last couple years, how has the insecure nature of the world and our lives been highlighted?
2. **Read Psalm 125:1-3.** Where should we put our trust, and what are the outcomes? What can we do to remind ourselves that “we’re in good hands?”
3. Oftentimes we feel more “up and down” than like the unshakeable mountain mentioned in v1. What makes you feel secure? What makes you feel insecure (\*ie fears, doubts, anxious thoughts, etc.)? Where do you think most people find their security?
4. Tyler shared a quote in the message: “My security comes from who God is, not from how I feel.” Why do you think it’s important to trust in the Lord more than your feelings?
5. What are some practical ways can we trust in the Lord, despite the pain and suffering that exists in this broken world?
6. What would you imagine would be the hardest thing to lose—and what does that say about where you are tempted to trust? (\*NOTE: perhaps you have recently lost something or someone, and you do not have to “imagine” such loss.)
7. What is an example of where your expectations did not align with God’s plan for your life. How is/was God inviting you to trust Him?
8. **Read Psalm 125:4-5, and Romans 3:10 and 3:22-23.** Why is it important to trust in the Lord more than our “goodness.” What do these passages tell us about who is good, and how we become “good” in God’s eyes? What does this teach us about the relationship between our identity, the gospel, and security?

**PRAYER:** Spend some time sharing prayer requests and praying for one another. Pray that God would help each of you to trust in Him—more than your feelings, despite your pain and suffering, and instead of your own efforts to “do good” so that you “are good.”
